

## **Announcing the Pinnacle PEO – *pan* Online Assessment Service Partnership**

Pinnacle PEO has partnered with the Performance Assessment Network (*pan*, a TALX Company), to provide our clients online assessments to enhance your employee selection and development efforts. *pan* provides online assessment services to a wide range of corporate, government and partner clients both within the US and internationally.

### **Convenient, One-Source Assessment Service**

The Pinnacle PEO online assessment service, powered by *pan*, contains more than 280 assessments from more than 50 publishers. With this comprehensive offering, Pinnacle PEO can now better help our clients:

Reduce Hiring Costs and Increase Recruiting Process Efficiency

Improve Internal Selection Processes to Better Match Employee Skills and Abilities to the job

Enhance Employee Training and Development Effectiveness

Reduce Counterproductive Employee Behavior

### **We Make It Easy for You**

Pinnacle PEO will review your employee selection and development needs and identify the assessments that will best meet those needs and stay within your budget. Once we agree on the assessments to be used, Pinnacle PEO will handle all administration online and quickly send you the assessment results.
